

Creative & Review Teams

Would you consider volunteering a few hours to help us design and review our e-learning sessions? This page explains how you can join our Review and/or Creative Teams and give your input.

HOW THE PROCESS WORKS

1. YOU SIGN UP TO RECEIVE INVITES

Please click here to fill out the [sign up form](#). You will select which type of team you are interested in:

- **Creative Team:** Work with our team as we design the session over a period of 3-9 months. We will ask for your input once every 1-2 weeks. If you can't help some weeks we understand.
- **Review Team:** Review the session after we have created a "rough draft" version. Typically takes 2-3 hours and can be completed over a period of about 10 days.

2. WE SEND E-MAIL INVITE

Every couple of months we send an e-mail explaining the projects we are working on and inviting you to be involved with the projects you are interested in.

3. LET US KNOW IF YOU CAN HELP

Simply hit reply to the e-mail invite (#2) and let us know if you would like to participate on the team(s). There is no obligation. We realize you may have other commitments or not be interested in helping with the available teams.

4. WE SEND MATERIALS

If you join a team you will receive the following:

- **Creative Team:** Once every 1-2 weeks we'll email you a discussion topic or materials for you to review.
- **Review Team:** A license key which enables you to open the draft of the session for review.

5. YOU GIVE FEEDBACK

You can give us your input using any combination of the methods below that you prefer:

- **Comment Form:** Input your comments directly in the session draft using the comment form on each individual screen.
- **Call or e-mail us:** Simply call or e-mail us with your thoughts and ideas.
- **Phone appointment:** If you request it, we can setup a brief (~15min) phone appointment with you to get your input.
- **Conference calls:** We may occasionally host conference calls where team members can discuss specific aspects of the session.

QUESTIONS & ANSWERS

Do I have to be an expert?

No. It is helpful for us to get the input of a wide variety of people with a variety of experience and knowledge.

What kinds of things do the teams give input on?

- **Creative Team:** Topics, scenarios, biblical principles, training objectives, real-life situations, handouts, coaching videos, etc.
- **Review Team:** Flow, transitions, impact, images, spelling/grammar, clarity, etc.

What is the time commitment?

We don't have a set "time commitment". We are thankful for whatever time you can give. Approximate time involved:

- **Creative Team:** Typically 15 minutes to 1.5 hours per week. If you can't help some weeks we completely understand.
- **Review Team:** ~2-3 hours total. Can be spread out over 10 days.

Why should I consider helping?

Your time investment helps us to make the sessions more effective. This helps Christian leaders, which helps the church, which helps our communities and the world. Not bad for a few hour investment.

Are there any other advantages?

If you invest several hours or more in the development process:

- **Free use of the sessions:** We will send you a free license key.
- **Great learning experience:** Helping with the design process is a great way to learn about biblical ethnic relations.
- **Credit as a reviewer:** In the credits section of the session.

Can I invite other people to help as well?

Sure, please do. Feel free to send them this sheet.

Can I leave the team if necessary?

Sure, we know circumstances can change. Just let us know and we will remove you from a team and/or the invite list.
